

## Bulletin 2016-17

September 30, 2016

### **AUC Rule 004: Alberta Tariff Billing Code Rules**

The Alberta Utilities Commission (AUC) has revised and approved changes to AUC Rule 004: *Alberta Tariff Billing Code Rules*, in order to prepare for the implementation of the provincial carbon levy, which comes into effect January 1, 2017. The approved rule is referred to as version 2.1 of Rule 004 and has an effective date of September 30, 2016.

The amendment reflects input received from stakeholders. More information regarding the consultation process and the nature of the changes made to Rule 004 can be found in Bulletin 2016-15, which was released on August 16, 2016.

Materials related to the Rule 004 consultation process, including a summary of the changes to Rule 004, comments received from stakeholders and the AUC's responses, are posted on the AUC's website under the Rule Development tab, Rule 004 – [Tariff Billing Code](#).

The AUC thanks stakeholders for their time and participation in the consultation process and for their efforts in reviewing and providing comments on the proposed changes to the rule.

Any questions relating to Rule 004 can be directed to Raymond Lee at 403-592-4442 or Andrea Laroiya at 403-592-4411.
