

## SCHEDULE F - SUPPLEMENTARY SERVICE CHARGES

### 1.0 APPLICABILITY

The following Supplementary Service Charges are applicable to every Customer within the Company's service area, unless otherwise specified.

The service charges outlined herein are also outlined in the Company's Retailer Terms and Conditions for Electric Distribution Service. This is done to ensure the Customer and Retailer are aware of the charges that may apply. For greater certainty, the listing of these charges in both sets of Terms and Conditions does not entitle the Company to recover charges under both sets of Terms and Conditions.
