Coming into force

10 This rule comes into force on October 1, 2008 and applies to all applications filed after this date.

Appendix A Scale of Costs

This scale of costs represents a fair and reasonable tariff to provide any eligible interested party with adequate, competent, and professional assistance in making an effective submission before the Commission. In a case where an eligible participant can advance persuasive argument that the scale is inadequate given the complexity of the case, the Commission may award an amount greater than stated in this scale to address such unique circumstances.

1. Professional Fees

This scale of costs provides a sliding scale for professional fees; as the professional's experience increases, so will his or her value and wage. The Commission emphasizes that the maximum allowable hourly rates will not be awarded as a matter of course. Rather, the Commission will assess each claim upon its individual merits and will only approve the maximum fee when it has been demonstrated that such a charge is warranted by the work performed. **The Commission allows professionals only half of their hourly rate for travel time.**

Claims for professional fees must be accompanied by a statement of account.

Statements of account must include the following:

- the date of activity undertaken;
- a description of the activity undertaken with sufficient detail to allow the Commission to understand the nature of the activity and how it relates to the issues being advanced by the eligible participant ; and
- the time incurred with respect to each described service.

Legal Fees

Articling students \$140.00/hour
1-4 years at the bar \$240.00/hour
5-7 years at the bar \$280.00/hour
8-12 years at the bar \$320.00/hour
More than 12 years at the bar \$350.00/hour

Legal fees are deemed to include all overhead charges implicit in the normal operation of a law firm. The Commission will not award legal fees for secretarial/support staff work. The fees for this work must be claimed as secretarial/staff support fees.

Fees of Consultants, Analysts, and Experts

1-4 years' experience \$120.00/hour
5-7 years' experience \$160.00/hour
8-12 years' experience \$230.00/hour
More than 12 years' experience \$270.00/hour

The Commission recognizes that the above professionals may not include the costs of secretarial work in their fees and thus may recognize a claim for secretarial or clerical services. However, the Commission will not recognize claims for overhead based upon percentages of the fees or disbursements claimed.

Fees for Secretarial/Support Staff

Secretarial/support staff \$45.00/hour

2. Disbursements

The Commission will not consider expense claims that are based upon percentages of the fees claimed. All receipts relating to a claim for disbursements must be legible and clearly identify the date upon which the receipt was issued. **The Commission will not request clarification for receipts that do not satisfy these requirements, and the related claim may not be approved.**

Office Disbursements

The Commission will consider claims for the following office disbursements incurred throughout the eligible participant's involvement in the hearing or proceeding.

- courier charges
- long-distance telephone calls
- photocopies (\$0.10/page)
- fax (\$1.00/page)
- computer charges
- postage
- transcripts (must be accompanied by a receipt)

The Commission does not require eligible claimants to submit receipts for the above disbursements (other than transcripts) with their initial cost claims. Eligible claimants should, however, retain receipts for such disbursements, as the Commission will require their submission if the claim is selected for audit. Office disbursements other than those listed above may be listed as miscellaneous, with a short explanation of the expenses claimed attached.

Personal Disbursements

The Commission will consider claims for the following personal disbursements that are incurred during an oral hearing.

Meals

Maximum allowable claim for meals is \$40.00 per day (\$10.00 for breakfast, \$15.00 for lunch and dinner each). Claims for meals are restricted to the duration of an oral hearing. Tips are not claimable.

Receipts are required for all meals claimed, with the date of the meal marked on the receipt.

Accommodation

Maximum allowable claim for accommodation is \$140.00 per day maximum. Claims for accommodation are restricted to the duration of an oral hearing.

Receipts must accompany all claims for accommodation.

Travel

The Commission's mileage rate for automobile travel is \$0.46/km (including GST). This portion of a claim is restricted to intercity travel distances of 50 km or greater.

The Commission will recognize claims for airfare at economy rates or less. Claims for airfare are restricted to an oral hearing.

Receipts are required and must clearly identify the date of departure and arrival.

Taxi

Taxi claims are restricted to an oral hearing. Taxi receipts need not accompany the claim. Tips are not claimable. However, an eligible claimant should retain such receipts in the event that the Commission directs an audit of the claim.

Parking

Parking claims are restricted to an oral hearing. Parking receipts need not accompany the claim. However, an eligible claimant should retain such receipts in the event that the Commission directs an audit of the claim.
