

<p style="text-align: center;">Dated on the</p> <p style="text-align: center;">26th day of February, 2010</p>	 ALBERTA UTILITIES COMMISSION
<p>Appendix 1 to Decision 2010-091</p> <p>AltaLink Management Ltd. AESO Radio Site 9485R City of Calgary Area</p>	<p>Application No. 1605879 Proceeding ID. 495</p>

AltaLink Management Ltd. (the Operator), pursuant to Telecommunication Facilities Permit and Licence No. U2009-341, issued by the Alberta Utilities Commission (Commission) on October 13, 2009 and pertaining to Application No. 1605444 registered with the Commission on September 10, 2009, had approval to construct and operate AESO Radio Site 9485R (the Radio Site) which would set up new telecommunication links between the Radio Site and the Springbank and Big Hill Springs radio stations.

Paragraph 5 of U2009-341 specified that construction of the Radio Site was to be completed on or before March 31, 2010. Paragraph 5 of U2009-341 also specified that the Commission may stipulate a later date for completing the project.

The Operator, by Application No. 1605879 registered on February 5, 2010 (Application), notified the Commission that the Operator would not be able to complete the Construction by March 31, 2010, and was requesting an extension of time to construct the Radio Site.

The Commission, pursuant to sections 14 and 15 of the *Hydro and Electric Energy Act*, approved the Application in Decision 2010-091 and granted to the Operator a Permit to construct and a Licence to operate the substation and telecommunication facilities at Radio Site 9485R, subject to the provisions of the *Hydro and Electric Energy Act* and the *Alberta Utilities Commission Act* (the Acts), any Regulations made under the Acts, any Orders made under the Acts, the Commission Rules made pursuant to the *Alberta Utilities Commission Act*, and the following terms and conditions:

1. The Radio Site located within LSD 14 of Section 27, Township 25, Range 2, West of the 5<sup>th</sup> Meridian;
2. Specifications of the Substation shall include the following:
  - a) A building to house the Optical Carrier 3 (OC3) Digital Microwave Radio Link and associated telecommunication facilities at the Radio Site;
  - b) A communication tower with communication dishes at the Radio Site; and

- c) Upgrades for the Optical Carrier 3 (OC3) Digital Microwave Radio Link at Springbank and Big Hill Springs radio stations respectively;
3. The Operator shall confirm with the Commission within 30 days of completing the Project that the Project has been completed and is being operated in accordance with the provisions of this Permit and Licence;
4. Unless otherwise authorized by the Commission, construction of the Radio Site shall be completed by August 31, 2010;
5. The Commission may cancel or suspend this Permit and Licence, in whole or in part, in accordance with section 41 of the *Hydro and Electric Energy Act*, or may review this Permit and Licence, in whole or in part, upon its own motion or upon an application by an interested party, in accordance with section 10 of the *Alberta Utilities Commission Act*; and
6. Permit and Licence No. U2009-341 is rescinded.
