<sup>1</sup> In accordance with the EUB December 6, 2004 letter, the City of Calgary was invited to join the Committee. The Committee's invitation was declined. The Committee subsequently filled this membership position with a representative from the Alberta Urban Municipal Association.

<sup>2</sup> The Committee agreed that it would be worthwhile to have ENMAX participate as a committee member and invited ENMAX to do.

<sup>3</sup> B. Shymanski acted as an alternate for B. Thiele at a few meetings.
