

Filing an Application - Instructions

The Commission's system software is currently being modified to handle the confidential nature of Preferential Sharing of Records applications. In the interim, the Commission requests that applications for Preferential Sharing of Records be sent to the Customer Information Services Group e-mail address: filings@auc.ab.ca

The Customer Information Services Group will recognize that a Preferential Sharing of Records application is confidential. The Markets Division will be notified of the application and will confirm receipt of the application with the market participant who filed.

Although the applications are primarily non-public, market participants should refer to subsection 3(5) of the [Fair, Efficient and Open Competition Regulation \(AR 159/2009\) \(FEOC Regulation\)](#) and the [Template Process for Reviewing Applications](#) for the aspects of an application that are necessarily public.
