RULE 025 ADMINISTRATION FEE

The Alberta Utilities Commission (Commission) has amended Rule 025, Administration Fee on April 21, 2009.

Rule 025 sets out the amount each utility under the jurisdiction of the Commission and the Alberta Electric System Operator are required to pay for the estimated net expenditures associated with carrying out the Commission's powers, duties and functions. The amendments set out the amounts of the administration fee for the first nine months of the Commission's 2009/10 fiscal year, provide for a subsequent administration fee for the fiscal year, and change the source used for each utility's revenue requirement and customer count.
