Release of new AUC *Public Involvement in Needs or Facility Applications* brochure

The Alberta Utilities Commission (AUC or Commission) recently released a new version of the [*Public Involvement in Needs or Facility Applications*](#) brochure. The design and content of the brochure has been modified to include information related to needs applications with the Commission.

AUC [Rule 007, Rules Respecting Applications for Power Plants, Substations, Transmission Lines, and Industrial System Designations](#) and [Rule 020, Rules Respecting Gas Utility Pipelines](#), require that this brochure be included in public consultation packages.

The manner in which applicants acquire this new, free-of-charge, brochure has also changed. Utilities that require printed copies of the brochure should contact the AUC at info@auc.ab.ca or 780-427-9362.

Any questions regarding the *Public Involvement in Needs or Facility Applications* brochure should be directed to Amanda Brinker, with AUC Communications, at amanda.brinker@auc.ab.ca or 780-422-5211.
