Stakeholder consultation on AUC Rule 012: Noise Control

Over the past nine months, the Alberta Utilities Commission (Commission) has been working with stakeholders, including meetings and sub-working groups, to review Phase 2 – Technical Changes of Rule 012. As a result of the review, the Commission proposed certain amendments to the AUC Rule 012: *Noise Control*.

The Commission is now seeking comments from interested parties regarding the proposed changes to the Rule 012. Participants who wish to provide written comments on the Rule 012 are requested to do so by 5 p.m. on January 20, 2012. All written submissions should be directed to Raymond Lee by email at raymond.lee@auc.ab.ca.

This bulletin, along with a draft [Rule 012](#) and [a table for comments](#) will be posted on AUC's website (www.auc.ab.ca) under the tab "Rule Development\Rule 012 - Noise Control".

Once comments have been received and reviewed, the Commission will proceed to finalize the revision of Rule 012 by February 29, 2012.

Questions or comments relating to the draft Rule 012: *Noise Control* should be directed to Don Popowich by email at don.popowich@auc.ab.ca.
