

AUC Rule 004 (version 2.2): Proposed changes for 2018

[Stakeholder: ATCO Gas, AltaGas Utilities]

Instructions:

- (1) Please provide the name of your organization in the space provided above.
- (2) For each proposed change, please provide your organization's viewpoint in the stakeholder comment boxes. If your organization is in favour of the proposed change, please state this for clarity. However, blank boxes will be interpreted as favourable comments.
- (3) Unless otherwise indicated, section references in this document refer to sections in AUC Rule 004.
- (4) The content of the column entitled "Existing" is quoted directly from the current version of AUC Rule 004. The content of the column entitled "Proposed changes" reflects the wording proposed for the next version of the rule.
- (5) Bolding is used here when contents taken from the rule are bolded.
- (6) Yellow highlighting is used to draw attention to words or phrases that are proposed to change from the current version to the next version.
- (7) Please save and email a Word version of the document to regulatorypolicy@auc.ab.ca by 4 p.m. on December 11, 2017.
