

## AUC Rule 007: Proposed changes for 2019

Section	Subsection	Existing	Proposed changes	History/rationale	Stakeholder comment
1 General	1.7 Application deemed complete	None <b>New</b>	<p><b>1.7 Application deemed complete</b></p> <p>The Commission reviews all applications to ensure regulatory compliance and completeness. The Commission will advise applicants, in writing, when it has deemed an application to be complete.</p> <p>When determining an application's completeness, the Commission considers the following two factors:</p> <ul style="list-style-type: none"> <li><b>(a)</b> Whether the project layout is finalized and available to the public on the Commission's eFiling System.<sup>2</sup></li> <li><b>(b)</b> Whether the information provided by the applicant about the proposed facility satisfies all of the AUC's information requirements.</li> </ul>		

<sup>2</sup>

This factor is not a consideration for Phase 1 buildable area applications for wind energy projects.
