Stakeholder comments sought on the proposed amendments to Rule 020: Rules Respecting Gas Utility Pipelines

The Alberta Utilities Commission is inviting further written comments from interested stakeholders regarding proposed revisions to Rule 020: *Rules Respecting Gas Utility Pipelines*. The Commission previously requested comments in Bulletin 2017-07 with respect to proposed changes to Rule 020 to clarify and streamline gas utility pipeline licence application processes. After reflecting on those comments the Commission has amended the proposed changes to the consultation and notification requirements and is now providing another opportunity for interested stakeholders to comment.

To facilitate comments from interested stakeholders regarding the proposed changes, this bulletin along with a stakeholder comment table and draft Rule 020 will be posted on the AUC website under the Consultations tab, Rule 020 – Rules Respecting Gas Utility Pipelines area.

Stakeholders who wish to provide written comments on the draft rule should do so using the table for providing comments. All written submissions are to be directed to Raymond Lee at regulatorypolicy@auc.ab.ca by 4 p.m. on October 6, 2017.

Once comments have been received and reviewed the Commission intends to finalize the revised Rule 020.

Any questions related to this consultation should be directed to Brian Shand, Director Gas Facilities at 403-592-4434.
