

## Bulletin 2017-09

November 29, 2017

### **Amendments to Rule 020: Rules Respecting Gas Utility Pipelines**

The Alberta Utilities Commission solicited comments from stakeholders on proposed amendments to Rule 020: *Rules Respecting Gas Utility Pipelines* in Bulletin 2017-08 and previously in Bulletin 2017-07. After considering the stakeholder input, the Commission approved the revisions to Rule 020 on November 15, 2017.

A comment matrix including stakeholder viewpoints and AUC responses are posted on the AUC website under the Consultations tab, Rule 020 – Rules Respecting Gas Utility Pipelines area.

The scope of the revisions to Rule 020 includes updates to consultation and notification requirements that align more closely with those for electric facilities, updates to abbreviated need thresholds, removal of redundant sections and administrative updates and clarifications.

The Commission thanks stakeholders for their participation in the review process.

Any questions related to this consultation should be directed to Director Gas Facilities Brian Shand, at 403-592-4434.
