Stakeholder consultation on Rule 021: Settlement System Code Rules and Rule 028: Natural Gas Settlement System Code Rules

The Alberta Utilities Commission is inviting written comments from interested parties on proposed changes to Rule 021: *Settlement System Code Rules* (Rule 021) and Rule 028: *Natural Gas Settlement System Code Rules* (Rule 028). The proposed changes to Rule 021 and Rule 028 reflect the consultation undertaken by AUC staff with representatives of wire service providers, natural gas distributors, load settlement agents, meter data managers, retailers and billing agents, as well as with staff of the Office of the Utilities Consumer Advocate and of the Alberta Electric System Operator.

This bulletin, along with a draft of version 2.7 of Rule 021 and version 1.6 of Rule 028, will be posted on the AUC website under the consultations tab, Rule 021 and Rule 028. All written submissions must be submitted to Andrea Laroiya, a senior advisor in the AUC's Market Oversight and Enforcement Division, by email at regulatorypolicy@auc.ab.ca by 4 p.m. on December 11, 2017.

Once comments have been received and reviewed, the Commission will proceed to finalize version 2.7 of Rule 021 and version 1.6 of Rule 028.

Any questions related to this consultation should be directed to Andrea Laroiya at 403-592-4411.
