Amendments to AUC Rule 001: Rules of Practice

The Alberta Utilities Commission has approved amendments to Rule 001: Rules of Practice. The amended rule comes into effect on October 1, 2019.

The amendments made to Rule 001 are either administrative in nature or are required by the passage of Bill 13: An Act to Secure Alberta's Electricity Future, which came into force on June 11, 2018.

The amended rule and blacklined version of the rule may be found in the rule-related consultations section of the AUC website under Rule 001 (Decisions and documents > Rule-related consultations).
