

Decommission and Salvage Approval 22765-D02-2017

Appendix 1 to Decision 22765-D01-2017	July 17, 2017
AltaLink Management Ltd. Decommission and Salvage a Portion of Transmission Line 674L	Proceeding 22765 Application 22765-A001

AltaLink Management Ltd. (AltaLink), pursuant to Approval 21533-D04-2016¹ and Approval 21190-D08-2016,² has approval to discontinue operation of and to salvage an approximately 25-kilometre portion of transmission line 674L between a location near the Al Rothbauer 321S Substation and a point approximately 100 metres west of the Chappice Lake 649S Substation located in the southeast quarter of Section 21, Township 14, Range 4, west of the Fourth Meridian. Approximately two kilometres of transmission line 674L will remain in place to facilitate a new connection for the City of Medicine Hat and for potential future use.

AltaLink, by Application 22765-A001, registered on June 27, 2017, applied to the Alberta Utilities Commission for approval of a time extension in order to complete the decommission and salvage of the above-mentioned portion of transmission line 674L.

The Commission, pursuant to Section 21 of the *Hydro and Electric Energy Act*, approved the application in Decision 22765-D01-2017,³ and granted to AltaLink an approval to decommission and salvage the portion of the transmission line, subject to the provisions of the *Hydro and Electric Energy Act* and the *Alberta Utilities Commission Act*, any regulations made under the acts, any orders made under the acts, the Commission rules made pursuant to the *Alberta Utilities Commission Act*, and to the following terms and conditions:

1. AltaLink shall notify the Commission within 30 days of completing the decommission and salvage that it has been completed in accordance with the provisions of this approval.
2. Unless otherwise authorized by the Commission, the decommission and salvage shall be completed by November 30, 2017.
