Dear Ms. Hartman:

**FortisAlberta Inc.  
 Revised REA Distribution Tariffs  
 Proceeding 22795**

**Acknowledgement of revised REA distribution tariffs**

1. This will acknowledge receipt of your information filing dated July 13, 2017, of the regulated rate tariff price schedules for July 1, 2017, for the following REA service territories:

|                |                        |                 |
|----------------|------------------------|-----------------|
| Armena         | Lindale                | Peigan Indian   |
| Drayton Valley | Mayerthorpe & District | Stony Plain     |
| Duffield       | Montana                | West Liberty    |
| Ermineskin     | Niton                  | West Wetaskiwin |

2. All of the REAs listed above have changes to the tariff, specifically to Rates 24 and 29, due to the approval of FortisAlberta’s Quarterly Alberta Electric System Operator Demand Transmission Service Deferral Account Rider for 2017 Quarter 2 by the Alberta Utilities Commission in Disposition 22456-D01-2017 issued on March 9, 2017.

3. Effective August 1, 2017, the Drayton Valley REA will be implementing changes to its multipliers for Deposit Account Reserve, Additional Services and FortisAlberta Operating Charge. In addition effective August 1, 2017, the Stony Plain REA will be implementing a change to its Additional Services multiplier.

4. As a result, and as per the 2007 Distribution System Operators Agreement, the following service territories have updated their rate sheets effective August 1, 2017.

|                |             |
|----------------|-------------|
| Drayton Valley | Stony Plain |
|----------------|-------------|

5. The above-noted is accepted as a filing for acknowledgement.

Yours truly,

Derrick Ploof  
Director, Retail Energy and Water
