

Notice of application Vulcan Solar Project

Acestes Ventures Ltd. has filed applications to construct and operate a 25-megawatt solar power plant in the Vulcan area

Proceeding 23645 Applications 23645-A001 and 23645-A002

The Alberta Utilities Commission (AUC), the independent utilities regulator, will be considering the solar power plant development applications in Proceeding 23645. If you feel you may be affected by these applications you can provide input to the AUC to review before it makes its decision.

Written submissions are due September 28, 2018.

Acestes Ventures Ltd. has applied to construct and operate a 25-megawatt solar power plant approximately 3.5 kilometres southeast of Vulcan and to connect the power plant to FortisAlberta Inc.'s distribution system. The solar power plant is proposed to be located on 160 acres of land in the northwest corner of Section 22, Township 16, Range 24, west of the Fourth Meridian at the intersection of Township Road 164 and Range Road 243. The applications have been filed under the *Hydro and Electric Energy Act*.

Additional information about the applications

The applications and any associated documents are publicly available and can be accessed from the eFiling System on the AUC website www.auc.ab.ca. Alternatively, for more information about what is being applied for, or for a copy of the applications, please contact:
