

Notice of hearing cancellation

Irma Wind Power Project

Proceeding 22722

The Alberta Utilities Commission has cancelled the hearing for Proceeding 22722, which was scheduled to commence on October 7, 2019, in Wainwright, Alberta. The hearing was to consider applications filed by Irma Wind Limited Partnership, by its general partner, Irma Wind GP Inc., requesting approval to construct and operate a 92.4-megawatt wind power plant, collector substation and associated collector system.

On July 19, 2019, Irma Wind GP Inc. filed a letter with the Commission in which it advised that it does not intend to proceed with the project at this time and requested withdrawal of its applications. Therefore, the Commission is now cancelling the hearing for Proceeding 22722.

Issued on July 22, 2019.
