

Connection Order 24009-D03-2019

Appendix 2 to Decision 24009-D01-2019	June 27, 2019
Acestes Ventures Ltd. Connect the Monarch Solar Project to FortisAlberta Inc.'s 25-Kilovolt Electric Distribution System.	Proceeding 24009 Application 24009-A002

Acestes Ventures Ltd., registered Application 24009-A002 on October 29, 2018, and applied to the Alberta Utilities Commission for an order to connect the Monarch Solar Project to FortisAlberta Inc.'s 25-kilovolt electric distribution system.

The Commission approved the application in Decision 24009-D01-2019,¹ and granted Acestes an order to connect the Monarch Solar Project to FortisAlberta's distribution system, pursuant to Section 18 of the *Hydro and Electric Energy Act*. This approval is subject to the provisions of the *Hydro and Electric Energy Act* and the *Alberta Utilities Commission Act*, any regulations made under the acts, any orders made under the acts, the Commission rules made pursuant to the *Alberta Utilities Commission Act*, and the following terms and conditions:

1. Acestes may connect the power plant to the distribution system in Legal Subdivision 4 of Section 19, Township 10, Range 22, west of the Fourth Meridian, as indicated in the application.
2. The specifications of the connection shall be as set out in the application.
3. The connection shall be operated so that except under short-term emergency conditions:
 - (a) The flows of real and reactive power are those for which the connection is designed and for which it is intended to carry on a continuous basis.
 - (b) No excessive surges of 60-hertz power or excessive exchange of power frequency harmonics shall occur between the systems connected.
