

Notice of application Strathmore Solar Farm

Solar Krafte Utilities Inc. has filed an application for a 40.5-megawatt solar power plant in Strathmore

Proceeding 24698 Application 24698-A001

The Alberta Utilities Commission (AUC), the independent utilities regulator, will be considering the power plant development application in Proceeding 24698. If you feel you may be affected by this application you can provide input to the AUC to review before it makes its decision.

Written submissions are due September 16, 2019.

Solar Krafte Utilities Inc. has applied to construct and operate a 40.5-megawatt solar power plant, designated as the Strathmore Solar Farm. The project is proposed to be sited on 320 acres of previously cultivated land in Strathmore, south of Highway 1 and east of George Freeman Trail, in the south half and northwest quarter of Section 12, Township 24, Range 25, west of the Fourth Meridian. The proposed location of the project is shown on the attached map.

Solar Krafte Utilities Inc. stated that the project would consist of the 40.5-megawatt power plant, including solar panels, transformer and inverter stations, access roads and a collector system connected to existing 25-kilovolt FortisAlberta Inc. distribution lines. The application has been filed under the *Hydro and Electric Energy Act*.
