## Montana First Nation Solar Facility

Akamihk Energy Incorporated has filed an application to construct a solar power plant on the Montana First Nation Reserve

**Proceeding 24751**  
**Application 24751-A001**

The Alberta Utilities Commission (AUC), the independent utilities regulator, will be considering the power plant development and interconnection application in Proceeding 24751. If you feel you may be affected by this application you can provide input to the AUC to review before it makes its decision.

**Written submissions are due September 24, 2019.**

Akamihk Energy Incorporated, a corporation wholly owned by the Montana First Nation, has applied to construct a solar power plant on the Montana Indian Reserve, No. 139. The project would be located on the west half of Section 20, Township 43, Range 24, west of the Fourth Meridian as shown on the attached map.

The Montana First Nation Solar Facility would be sited on approximately 40 acres of agricultural land formerly used for horse and cattle pasture. The project would consist of a 4.6-megawatt solar power plant, including solar panels, inverter stations, transformers, a collector system and a substation. Akamihk Energy Incorporated also applied to connect the project to the FortisAlberta Inc. 25-kilovolt distribution system. The application has been filed under the *Hydro and Electric Energy Act*.
