## 2018-2019 transmission general tariff application compliance filing

### Proceeding 24805 ATCO Electric Ltd.

The Alberta Utilities Commission, the independent utilities regulator, will be considering the ATCO Electric Ltd. 2018-2019 transmission general tariff application compliance filing to ensure that the delivery of Alberta's utility service takes place in a manner that is fair, responsible and in the public interest. If you feel you may be affected by this application, you can provide input to the AUC to review before it makes its decision.

ATCO Electric Ltd. has filed an application requesting approval of its 2018-2019 transmission general tariff application compliance filing. The compliance filing has been prepared in response to the directions from Decision 22742-D01-2019.<sup>1</sup>

### Written submissions are due August 22, 2019.

To register your concerns, or your support for the application, please visit the AUC website and log in to the eFiling System to file your submission for Proceeding 24805. If you do not have access to the internet, send your name, address, phone number, organization you are representing, description of your interest in the proceeding, position including information in support of the position and reasons why the AUC should decide in the manner recommended, and whether further process is required. If no written submissions are received, the Commission may make its decision without further notice or process.
