Application for 2018 annual transmission access charge deferral account true-up

Proceeding 24807 ENMAX Power Corporation

The Alberta Utilities Commission, the independent utilities regulator, will be considering the application for ENMAX Power Corporation's 2018 annual transmission access charge deferral account true-up to ensure that the delivery of Alberta's utility service takes place in a manner that is fair, responsible and in the public interest. If you feel you may be affected by this application, you can provide input to the AUC to review before it makes its decision.

ENMAX Power Corporation has filed an application requesting approval for its 2018 annual transmission access charge deferral account true-up, an aggregate collection of approximately \$13.533 million, by way of a rider effective January 1, 2020, to December 31, 2020.

Written submissions are due August 27, 2019.

To register your concerns, or your support for the application, please visit the AUC website and log in to the eFiling System to file your submission for Proceeding 24807. If you do not have access to the internet, send your name, address, phone number, organization you are representing, description of your interest in the proceeding, position including information in support of the position and reasons why the AUC should decide in the manner recommended, and whether further process is required. If no written submissions are received, the Commission may make its decision without further notice or process.

To learn more about the application and review process, contact:
