Stakeholder Consultation on Rule 021 (Version 2.0) – *Settlement System Code Rules*

The Alberta Utilities Commission (the Commission) is inviting written comments from interested parties as it revises and updates AUC Rule 021, *Settlement System Code Rules*.

The revised AUC Rule 021 reflects the consultations undertaken by Commission staff to date with representatives of Wire Service Providers, Load Settlement Agents, Meter Data Managers, Retailers and Billing Agents. The Commission is now seeking comments from interested persons regarding Version 2.0 of Rule 021. Participants who wish to provide written comments on Version 2.0 of Rule 021 must do so by **5:00 pm on October 16, 2009**. All written submissions are to be addressed to either Rob Thomas at robert.thomas@auc.ab.ca or Raymond Lee at raymond.lee@auc.ab.ca. This Bulletin, including Version 2.0 of Rule 021, will be posted on the “Rule Development\Settlement System Code” portion of the AUC’s website (www.auc.ab.ca).

Once comments have been received and reviewed, the Commission will proceed to finalize Rule 021 so that market participants have the opportunity to implement the proposed changes by June 30, 2010.

Any questions related to this consultation should be directed to Rob Thomas at 403-592-4435 or Raymond Lee at 403-592-4442.
