1. EPCOR Energy Alberta Inc. (EEAI) filed an application (Application) on February 22, 2010, with the Alberta Utilities Commission (AUC) for its energy charges applicable to its Regulated Rate Tariff (RRT) for the month of March 2010. The RRT energy charges are for the EPCOR Distribution & Transmission Inc. (EDTI) and FortisAlberta Inc. (Fortis) service territories.
2. The Application included a letter from the independent advisor<sup>1</sup> (the Advisor) confirming that the energy charges for March 2010 were calculated in accordance with all aspects of the Energy Price Setting Plan (EPSP) for 2006 to 2011, including the month-ahead portion and the Index Support Agreement as approved in Order [U2007-352](#)<sup>2</sup> and as amended on an interim basis through Decision [2009-167](#).<sup>3</sup>
3. EEAI's EPSP was approved in Order [U2006-109](#),<sup>4</sup> an order of the AUC's predecessor, the Alberta Energy and Utilities Board (Board). The EPSP formed part of a Negotiated Settlement, which the Board considered would result in rates that were just and reasonable.
