3.2 Customers Bound by Terms and Conditions

The Default Rate Tariff and the Rate Schedules approved by the Commission apply to each Customer. As a condition of receiving Default Rate Service, the Customer agrees to be bound by these Term and Conditions and agrees to pay the rates and fees applicable for such service, as prescribed in the Rate Schedules whether the Customer signs a service agreement or not.

3.3 Modification of Default Rate Tariff

No agent, employee or other representative of DERS is authorized to modify any provision or rate contained in the Default Rate Tariff or to bind DERS to perform in any manner inconsistent with the Default Rate Tariff. REGULATED RATE SERVICE

4.1 Requirements for Obtaining Default Rate Service

Eligibility for a prospective Customer to obtain Default Rate Service shall be determined in accordance with the GUA and Regulations. DERS may require any potential residential Customer to provide such proof of identification, as DERS considers appropriate in the circumstances.

A potential Customer, other than a residential Customer, who is not receiving Default Rate Service from DERS, may be required to complete an application in writing, or via telephone, to obtain Default Rate Service at a Site.

A residential customer may request service via telephone or other means defined by DERS.

When an application is required, DERS will provide an application form outlining the required information to be provided. For an existing premise or property, DERS will open an account and commence Default Rate Service within 7 days of receiving a completed application from a Customer. Where circumstances beyond the control of DERS prevent DERS from opening an account and commencing Default Rate Service within 7 days, DERS will notify the customer and will provide the customer with an estimate of when the account will be opened.

Subject to limitations outlined in applicable regulations, and on 48 hours oral or written notice to a Customer and without further notice, DERS may disconnect service if DERS has not been provided with sufficient information to bill the customer or the premises or property reasonably appears to be vacant or not occupied by the known Customer.

If the required deposit is large at the discretion of DERS, DERS may grant a Customer request that the Company allow an initial payment for a portion of the deposit and payment of the remainder of the deposit over a reasonable time period.

5.5 Use of Deposit for Non-Payment

A deposit provided by a Customer may be applied against any amounts owing for unpaid bills for Default Rate Service. A new security deposit will be assessed on the account in this case.

5.6 Return of Deposit

A deposit made by a Customer must be returned to the Customer after a satisfactory payment history after a period of 12 consecutive months or when the Customer's Default Rate Service is terminated and the Customer's account is closed.

Where a Customer's Default Rate Service is terminated and the Customer's account is closed for non-payment, prior to any refund, the deposit will be applied to the balance owing by the Customer to DERS.

5.7 Interest Payable on Deposits

Deposits, unless otherwise applied, will be refunded with interest at a rate equivalent to the one-year non-redeemable Royal Bank GIC rate for investments of \$500 to \$99,999.99 to the Customer after the Customer establishes a satisfactory payment record.

The interest rate applied to security deposits will be updated quarterly and will be the one-year non-redeemable Royal Bank GIC rate for investments of \$500 to \$99,999.99 in effect five business days prior to the start of the quarter.

Interest shall accrue monthly beginning with the initial date of deposit. Interest will only be payable to customers after twelve months of satisfactory payment history.

If a bill remains unpaid after the due date or grace period, DERS may require a deposit or an increase in the amount of an existing deposit.

Subject to any restrictions under the GUA and Regulations or Section 10 of these Terms and Conditions, failure to pay a bill may result in DERS either discontinuing the Customer's Default Rate Service or requesting a disconnection of such service.

In addition, DERS may commence collection action. Prudent and reasonable collection costs incurred by DERS may be added to the Customer's bill.

If a Customer's Default Rate Service is discontinued by DERS or disconnected under the ATCO Terms and Conditions, any unpaid charges in the account may be transferred to any other Default Rate Service account held by the same Person and any deposit held in respect of such account may be applied against the unpaid charges.
