**Re: ATCO Pipelines
Radiographic Weld Inspection**

Q4 2017 Quarterly Update: 2017-2018 General Rate Application (Proceeding ID 22011)

Please find the attached quarterly update for Q4 of 2017 of 'Spreadsheet (b)', with regards to ATCO's radiographic weld inspections as requested in the Alberta Utility Commission's information clarity request, received by ATCO on September 29, 2016.

Please note that the following updates were made to Spreadsheet (b) from ATCO's last quarterly submission:

- Added information for all re-inspection and assessments completed from September 27th, 2017 to December 19th, 2017
- Updated ECA completion dates and disposition, and repair completion status for September 27 – December 19, 2017
- Locations and estimated number of welds were updated based upon information collected during ongoing detailed review and physical re-inspection.

The information contained here within is current as of December 19th, 2017. ATCO will provide the next quarterly update to the AUC in April 2018 and will be current as of March 31st, 2018.

Should the AUC request further clarification or desire further information on this matter, please contact the undersigned at 780-420-7225 or by email at graeme.feltham@atco.com.

Sincerely,
