-
- (b) When a contract for service is terminated by a Customer and a new application for service has not been received by the Company, the Company shall discontinue the Gas Distribution Service to the premises.
 - (c) If the piping or equipment described in (a) above is found to be hazardous or non-compliant, the Company, at its discretion, may choose to disconnect or shut off only that portion or piece of equipment which is in violation, in order to maintain Gas Distribution Service to the remaining Customer facilities. The Company will report these incidences to the Authority having jurisdiction as per the Regulations made under the Act.

8.6 Multiple Dwellings

- (a) Each individual unit within a multiple dwelling will be served as a separate Point of Delivery, unless the Company agrees otherwise.
- (b) Where the Company and a Customer have agreed that Gas Distribution Service to a Multiple Dwelling shall be delivered through a single Point of Delivery, the applicable Rate Schedule will apply to the Gas Distribution Service in which case resale shall be permitted only under and subject to a contract in writing entered into between the Company and the Customer.

8.7 Mobile Homes

- (a) Service shall normally be provided to mobile homes through separate Points of Delivery, based on the applicable Rate Schedule.
- (b) Service provided to common use areas (e.g. laundry facilities) in a mobile home park shall be separately metered and billed at the applicable Rate Schedule.

Effective: January 1, 2021
Previously Effective: January 1, 2020

-
- (c) In mobile home parks or trailer courts where the Company reasonably believes homes are temporary, the Company may elect to provide Gas Distribution Service only through the Point of Delivery billed to the mobile home park or trailer court.

8.8 Standard Delivery Pressure

Customer requests for service beyond the standard utilization pressure of 1.72 kPa may be required to pay a non-refundable contribution for the installation, administration and maintenance of the equipment required to comply with the request. The Company will meet the peak flow requirements of the Customer (as signed up) at the standard delivery pressure.

ARTICLE 9 – METERS

9.1 General Requirements

The Customer shall authorize the Company to connect, verify, maintain and exchange automated meter reading and/or monitoring equipment for the purpose of transmitting and collecting meter reading information. The Customer shall permit the Company to perform meter reading using automated monitoring equipment. The Company shall comply with the regulations of the authority having jurisdiction with regard to measurement equipment and devices. If Customer requests removal of automated monitoring equipment, the Company will charge the fee as per the Schedule of Non-Discretionary Charges.

9.2 Installation and Maintenance of Meters

The Company shall provide, install and maintain all necessary regulators and meters necessary for measuring the natural gas supplied to each Customer. Unless impractical, meters shall be installed on the outside of the premises, and in any case the location shall be subject to the approval of the Company so as to permit safe and convenient access, such approval not to be unreasonably withheld.

Effective: January 1, 2021
Previously Effective: January 1, 2020

9.3 Meter Test and Adjustments

- (a) The Company may inspect and test a meter at any reasonable time.
- (b) At the request of Measurement Canada or an accredited agency as may, from time to time, be designated for this purpose, the Company shall arrange for a meter to be removed and tested by an official designated for that purpose. The Company will direct customers wishing to dispute the meter to Measurement Canada.
- (c) If a test determines that the meter is not accurate within the limits set by government standards, the Retailer's/DSP bill will be adjusted accordingly. Where it is impossible to determine when the error commenced, it shall be deemed to have commenced three (3) months before the test or the date of the meter installation, whichever occurred later. The Company shall not be liable to the Customer or Retailer/DSP for any additional costs that are associated with such metering or meter reading errors.
- (d) The Company reserves the right to assess a charge to the Customer or Customer's Retailer/DSP at the time of a meter test. This charge is reimbursed in circumstances when the meter tested is found to be faulty.
- (e) If any appliance of a Customer connected to the Company's Gas Distribution Service prevents or impedes the meter from accurately recording the total amount of Energy supplied, the Company may forthwith disconnect the Gas Distribution Service, or disconnect such appliance from the Gas Distribution Service and shall, in either case, estimate the amount of Energy consumed and not registered, as accurately as it is able to do so, together with any costs incurred by the Company in disconnecting such Gas Distribution Service, or appliance, and repair any damage to the Company's Gas Pipeline System as the case may be. The Retailer's/DSP bill will be adjusted accordingly for the estimated amount of energy.

ARTICLE 10 – RENDERING AND PAYMENT OF BILLS

10.1 Meter Reading and Estimates

Meter Reading:

- (i) The Company shall determine the method of meter reading collection for its meters and equipment.
- (ii) Where the Company has determined the method of collection is through an automated meter reading device and the Customer refuses to allow installation, the Company will attempt Company meter readings approximately every six months. The Customer will be charged for each meter reading attempt as stated in the Schedule of Non-Discretionary Charges through the monthly tariff bill sent to the Retailer/DSP.
- (iii) Where the Customer requests the removal of an automated meter reading device, the Company will remove the device and will apply the appropriate fee as stated in the Schedule of Non-Discretionary Charges. In addition, the Company will attempt Company meter readings approximately every six months. The Customer will be charged for each meter reading attempt as stated in the Schedule of Non-Discretionary Charges through the monthly tariff bill sent to the Retailer/DSP.
- (iv) In any event the Company will require a meter reading twice per year or as directed by Measurement Canada or such other Regulatory requirement.
- (v) In the event that there is a discrepancy between the mounted meter index and a meter monitoring or automated meter reading device, the mounted meter index reading will be deemed to be correct.
- (vi) The Company will assess a charge to the Customer or Customer's Retailer/DSP for additional reads above the Company's standard practices as well as in situations where a Customer has refused to allow an

Effective: January 1, 2021
Previously Effective: January 1, 2020

automated meter reading device to be installed. This charge is defined in the Schedule of Non-Discretionary Charges.

- (vii) The Company shall keep an accurate record of all meter readings for the purpose of billing the Gas Distribution Services provided.
- (viii) The Company may elect to change the meter reading schedule for a site, providing advance notice to the Retailer/DSP as defined by Rule 004.
- (ix) The Company is not required to accept Customer meter readings. Where Customer meter readings are provided, the Company reserves the right to decline the use of the Customer meter reading based on specific criteria.

10.2 Billing Delivery Charges to Retailer/DSP

- (i) Billing to the Retailer/DSP will be based on meter readings made by the Company or on estimates for those billing periods when the meter is not read. The Company will issue billing to the Retailer/DSP in accordance with Rule 004.
- (ii) Bills shall be rendered in accordance with the Rule 004.
- (iii) Failure to receive a bill shall not release the Customer or the Retailer/DSP from its obligation to pay the same.

10.3 Payment of Customer directly to the Company

- (a) The payments for service provided to the Customer under the Rate Schedule and these Terms and Conditions (and collected by the Retailer, if applicable) shall commence on the earlier of the first billing date after the date upon which the Customer commences taking service, or thirty (30) days after the date that service is made available to the Customer.

Effective: January 1, 2021
Previously Effective: January 1, 2020

- (b) The Customer shall pay all amounts required to be paid under these Terms and Conditions upon receipt of a bill for such amounts. Bills shall be deemed rendered and other notices duly given when delivered to the Customer at the address provided by the Customer or Retailer/DSP for service. Failure to receive such bill from the Company will not entitle the Customer to any delay in the settlement of each account, or to any extension of the date after which a late payment charge becomes applicable. Any bill rendered to a Customer for which valid payment has not been received by the date indicated on the bill shall be considered past due. The Company reserves the right to assess a late payment charge as set forth in the Rate Schedule.
- (c) The Customer shall pay to the Company, on or before the 15th Business Day following the statement date, the amount invoiced by the Company and payable not later than the day shown upon the bill as the “due date”.
- (d) The Company may refuse to accept payment on a Customer's account when payment by cheque is drawn on a form other than a bank cheque form. In the event the Company accepts payment by cheque drawn on any other form, the Customer shall be liable for and pay to the Company all charges and costs incurred to process the cheque. The Company follows the Bank of Canada rules and regulations of currency acceptance limitations.

10.4 Late Payment Charge

Any amount owing for service and not paid by the due date shown on the bill shall be subject to a late payment charge in accordance with the Rate Schedule, all of which will be due and payable forthwith after the due date.

10.5 Dishonored Cheque Fee

The Company reserves the right to assess a service charge to the Customer, or the Customer's Retailer/DSP, in respect of any cheque returned by the Customer's bank for any reason as defined in the Schedule of Non-Discretionary Charges.

Effective: January 1, 2021
Previously Effective: January 1, 2020

10.6 Adjustment of Bills

10.6.1 Billing Error

Should the Customer or the Retailer/DSP dispute any amount owing, the Customer or Retailer/DSP shall nonetheless pay such disputed amount and submit the dispute for resolution in accordance with these Terms and Conditions. Following resolution of any such dispute, the Company will return any amount found owing, without interest, to the Customer or Retailer/DSP forthwith. The right or ability of either party to dispute a bill for service provided hereunder shall only apply to bills rendered during a period of two (2) years prior to the date of a written notice of such dispute. The Company may assess a charge to the Customer or Retailer/DSP for reviewing billing disputes, in circumstances where the Company has not been responsible for any billing error as established in the Schedule of Non-Discretionary Charges.

ARTICLE 11 – CHANGE IN SERVICE CONNECTION

11.1 Prior Notice by Customer

- (a) A Customer shall give to the Company reasonable written notice prior to any change in Gas Distribution Service requirements, including any change in Load to enable the Company to determine whether or not it can supply such revised Gas Distribution Service without changes to its Gas Pipeline System. A Retailer/DSP, or any other person acting as Agent for a Customer, who provides the Company with verifiable authorization from the Customer, may give such notice to the Company on the Customer's behalf. If the Company receives such notice from a Retailer/DSP or Agent, the Company may, at its option, require such notice directly from the Customer. The Company shall not be obligated to supply to any Customer any Load in excess of that originally agreed to by the Company.

Effective: January 1, 2021
Previously Effective: January 1, 2020

-
- (b) The Customer shall not change its requirement for a Gas Distribution Service without the Company's written permission. The Customer shall be responsible for all damage caused to the Company's Gas Pipeline System as the result of the Customer changing its requirements for a Gas Distribution Service without the Company's permission.

11.2 Changes to Company Facilities

If a change in a Customer's Load would require changes to the Company's Gas Pipeline System, that Customer may be required to pay the Company's costs of such changes other than those costs which the Company would have borne upon accepting an application to serve an increased Load in the first instance. In any event, that Customer shall pay the Company's capital cost, less depreciation, of existing Specific Facilities which would be removed as a result of such Load change, together with the estimated cost of removing the same less the estimated salvage value, if any, thereof.

11.3 Relocation of Company Facilities

In any case in which the Company is requested to relocate any of its Gas Pipeline System, including service lines, regulators and meters, or to install a remote meter index or automated meter reading device, the person requesting such relocation or installation may be required to pay the costs set out in the Schedule of Non-Discretionary Charges for so doing, and shall, if requested by the Company, pay the same in advance of the Company undertaking such relocation or installation. Any relocation shall be subject to the provisions of these Terms and Conditions. Any installation of a remote meter index or meter monitoring device shall be subject to these Terms and Conditions. The Company reserves the right, at its expense, to relocate regulators or meters for operating convenience.

Effective: January 1, 2021
Previously Effective: January 1, 2020

ARTICLE 12 – SERVICE DISCONNECTS, REINSTATEMENT AND REMOVAL

12.1 Disconnection

12.1.1 Termination by Customer

Unless precluded by contract or industry rules from so doing, the Customer and/or Retailer /DSP may, at any time, give to the Company five (5) Business Days notice of termination of Gas Distribution Service. Upon receipt of such notice, the Company may read the meter attached to such Gas Distribution Service, and Customer and or Retailer/DSP shall pay for all Gas Distribution Service supplied prior to such reading. In the event that Company is unable to read the meter upon receipt of Customer or Retailer/DSP notice of termination, the charge for Gas Distribution service supplied shall be based on an estimated meter reading which will be prorated from the time of an actual meter reading.

12.1.1A Temporary Disconnection

Upon the request of the Customer and or Retailer/DSP, the Company shall temporarily disconnect any Service Connection provided:

- (a) Upon the Retailer/DSP request to restore service the Customer or the Customer's Retailer/DSP will be responsible for and pay any applicable charges outlined under Article 12.2.
- (b) If the Service Connection remains disconnected for greater than six (6) months, the facilities located downstream of the meter outlet are subject to retest as prescribed by the authority having jurisdiction.
- (c) After six (6) months of service disconnection, ATCO Gas reserves the right to remove the meter.

Effective: January 1, 2021
Previously Effective: January 1, 2020

-
- (d) If the Service Connection remains disconnected for greater than twelve (12) months, it will be considered permanently disconnected and administered as per Article 12.1.1B herein.

12.1.1B *Permanent Disconnection*

- (a) If the Customer requests the Service Connection to be permanently disconnected, the Customer or Retailer/DSP billing for that service will be finalized. At the discretion of the Company, the Retailer/DSP will be allowed to remove the Customer from the account and the Gas Pipeline System provided by the Company may be removed.
- (b) If within three (3) years of permanent disconnection the Customer requests the Service Connection be restored, the Customer or the Customer's Retailer/DSP must pay all the costs associated with the original disconnection, removal of the Gas Pipeline System and restoration of service.

12.1.2 *Disconnection at Request of Retailer/DSP*

In accordance with sub-section 5(1) of the R3 Regulation and the NGSSC, the Retailer/DSP shall have the right to request that the Company disconnect service to a particular Customer and/or Site, and Company shall comply with that request, unless such action is inconsistent with Schedule B of the Company's Retailer Terms and Conditions for Gas Distribution Service.

12.1.3 *Disconnection by the Company*

- (a) The Company reserves the right to disconnect Gas Distribution Service to the Site in a number of circumstances, including, but not limited to: failure to provide access at least once per year for meter reading; threats or harassment of employees or agents of the Company; non-payment of the Company bills or any past due charges by the Customer; evidence of safety violations, Energy theft, or fraud by the Customer; refusal of the Customer

Effective: January 1, 2021
Previously Effective: January 1, 2020

to allow change in facilities or equipment, or the Customer failing to meet its obligations under these Terms and Conditions or the Natural Gas Service Agreement.

If a Customer notifies the Company to remove the meter, or permanently disconnect service, the Company will complete the request and subsequently notify the Customer's Retailer/DSP.

- (b) If the disconnect is a result of a safety violation, the Company will reinstate the service when the safety problem is resolved and when the Customer has prepaid all costs associated with repair, damage or restoration of service, and addressed prevention of such damage, interference or disturbance and upon receipt of Retailer/DSP authorization where required. The Company may assess a reinstatement charge to the Retailer/DSP as set forth in the Schedule of Non-Discretionary Charges.

12.2 Reinstate Service

This section applies when the Company is asked to reinstate or restore Gas Distribution Service to a Customer whose Gas Distribution Service was discontinued (whether or not at the request of the Customer, the Customer's Retailer/DSP or the Company).

Before reinstating or restoring service, the Customer or the Customer's Retailer/DSP must ensure facilities downstream of the meter conform to the requirements of the authority having jurisdiction and shall pay:

- (a) any amount owing to the Company including written off accounts;
- (b) any damages or replacement costs owed to the Company
- (c) a reinstatement charge as defined in the Schedule of Non-Discretionary Charges.

Effective: January 1, 2021
Previously Effective: January 1, 2020

12.3 Removal of Facilities

Upon termination of Gas Distribution Service, the Company shall be entitled to remove any of its Gas Pipeline System or Specific Facilities located upon the property of the Customer and to enter upon the Customer's property for that purpose. The Customer may be required to pay the actual cost of removal.

Effective: January 1, 2021
Previously Effective: January 1, 2020
