

Notice of hearing cancellation

Michichi Solar Generation Facility

Proceeding 24363
Application 24363-A001

The Alberta Utilities Commission has cancelled the oral hearing for Proceeding 24363, which was scheduled to commence on August 27, 2019, in Calgary. The oral hearing was to consider an application by Kneehill Solar GP Inc. for approval to construct and operate the proposed 25-megawatt Michichi Solar Generation Facility near Drumheller.

The oral hearing has been cancelled because the only participant opposing the application withdrew their statement of intent to participate and their objection to the application.

The written information filed in the proceeding will be considered by the Commission and a decision on whether to approve the application will be issued in due course.

Issued on August 13, 2019.
