

Notice of application

101 Street Transmission Line 7.82L Relocation Project

ENMAX Power Corporation has filed an application for the relocation of a section of transmission line running parallel to 101 Street S.W. in the city of Calgary

Proceeding 24828
Application 24828-A001

The Alberta Utilities Commission (AUC), the independent utilities regulator, will be considering the electric transmission development application in Proceeding 24828. If you feel you may be affected by this application you can provide input to the AUC to review before it makes its decision.

Written submissions are due October 8, 2019.

ENMAX Power Corporation has applied, under the *Hydro and Electric Energy Act*, to relocate a section of the existing 138-kilovolt Transmission Line 138-7.82L that runs parallel to 101 Street S.W., in southwest Calgary. ENMAX has proposed to relocate the existing transmission line, which is located in the Calgary Transportation/Utility Corridor, to accommodate the construction and planned infrastructure of the West Calgary Ring Road.

The location of the proposed relocation of the transmission line is shown in the attached map.

Additional information about the application

The application and any associated documents are publicly available and can be accessed from the eFiling System on the AUC website www.auc.ab.ca. Alternatively, for more information about what is being applied for, or for a copy of the application, please contact:

ENMAX Power Corporation
Wesley Manfro
Phone: 403-514-2721
Email: wmanfro@enmax.com

Participant information session

The AUC will be holding an information session to provide information about how you may become involved in this proceeding and the funding which may be available to you to support your position, which includes costs for legal representation and expert witnesses. The project and its merits will not be discussed at this session:

Elbow Springs Golf Club
240086 Lott Creek Drive, Calgary, Alberta
Tuesday, October 1, 2019, at 7 p.m.

If you cannot attend the information session but want to learn more about the review process please contact us or visit our website and review the information under “Have your say” or under “Review process.”

Submissions

If you wish to participate in this proceeding, please visit our website and log in to the eFiling System, go to Proceeding 24828, and register to participate under the “registered parties” tab. Alternatively, please contact us at 310-4AUC or info@auc.ab.ca for more information or assistance with filing your submission. The lead application officer, Laura Johnson, can also be contacted at laura.johnson@auc.ab.ca or 403-592-4388.

The AUC may make its decision without further notice or process if no written submissions are received.

Submissions must include your name, address, phone number, legal land location, description of your land in relation to the proposed development and a description of how you, your land, your business, or your activities may be affected by the proposed project. Please also briefly describe the issues you would like the AUC to consider when making its decision.

Privacy

To support an open and transparent process, information you send to the AUC will be publicly available through the AUC’s eFiling System. If there is confidential information you would like to file, a request must be made in advance of filing your submission.

Issued on September 6, 2019.

Alberta Utilities Commission
Douglas A. Larder, QC, General Counsel
