ENMAX No. 1 Substation Replacement Project

ENMAX Power Corporation has filed applications for a new substation in downtown Calgary

Proceeding 25206
Applications 25206-A001 to 25206-A008

The Alberta Utilities Commission (AUC), the independent utilities regulator, will be considering the electric transmission development applications in Proceeding 25206. If you feel you may be affected by these applications you can provide input to the AUC to review before it makes its decision.

Written submissions are due February 4, 2020.

ENMAX Power Corporation has applied for permits and licences to construct and operate a new ENMAX No. 1 Substation, to alter transmission lines 138-1.80L, 138-1.81L, 138-1.82L, 138-1.83L, 138.84L and 138-1.85L, and to decommission the existing ENMAX EN 1S Substation. The existing transmission lines connected to the existing substation would be altered in order to connect to the new substation. The new ENMAX No. 1 Substation would be located on the north side of Ninth Avenue Southwest between Seventh and Eighth Street Southwest. The applications have been filed under the *Hydro and Electric Energy Act*.

Additional information about the applications

The applications and any associated documents are publicly available and can be accessed from the eFiling System on the AUC website www.auc.ab.ca. Alternatively, for more information about what is being applied for, or for a copy of the applications, please contact:
